

Monday evening prayer & healing

For over four years we have held regular Monday evening prayer meetings that start at 8.00pm. People have come from far and wide for their healing's and every week is different as the Holy Spirit takes over. Prayer is the core of our ministry as regular people pray earnestly for each outreach that we undertake. Prayer is the key for everything, and all are welcome to attend, it is best to phone if you are coming on: 01865 300099

There is also a healing room in the Ranch facility for people who want to come for prayer and healing in a more private atmosphere. Interested people should book in advance by phoning 01865 300099

We are also happy to come and speak and pray for the sick at any church or conference, again this has to be booked by phoning 01865 300099 or e-mail: wpillans@aol.com

Vera 9 years in wheelchair suffering from Arthritis could not walk. 5 days previous the Lord showed us she would sing on Sunday.

Vera got out of wheelchair after Prayer, walked to front of church and sang as the Lord had promised, causing people to cry under the anointing of the Holy Spirit as they sang and the miracle they had seen.

We await Vera's full healing and gospel ministry that the Lord has for her.
