

THE FIRE FELL ON SUZANNE!

In February 2001, Suzanne and her family came to one of David Hathaway's meetings in England. She and her husband received healing, and she shared her desire with us to come to David's first 'Fire Over Jerusalem' Convention in May that same year.

Suzanne is a wife and mother, a hard-working owner of a horse-riding school, a quiet but determined person with a great hunger and thirst for God. For two years her key Scripture was John 7:38, "He who believes in Me, out of his innermost being will flow rivers of living water." And for two years she cried out, "But there's no water flowing through my life!" She read every book on revival, every book on prayer. She came to our 'Fire Over Jerusalem' Convention – and the fire fell – on her!

The fire also fell on Bishop Dominic Ochoo. He went home to Kenya to plan his own 'Fire Over Kenya' Conference. Whilst in Jerusalem he had met and prayed with Suzanne and invited her as a guest speaker. Suzanne had courage and faith! She went.

Bishop Ochoo wrote to us:

This is the report of Suzanne's visit to Kenya and what the Lord did by her prayers during the 'Fire Over Kenya' Conference. On the Saturday there was a very big move of the power of God that came upon every person, all were filled with the Holy Spirit just like the day of Pentecost – so powerful that people from the neighbourhood came running to see what was happening!

We saw hundreds of people healed instantly; some came forward to receive prayer for their sick relatives at home – the following day there were reports of instant healings and some of these people even came to the meetings to testify of what God had done for them. Boils and open wounds were healed in front of our eyes, and some cases of HIV/AIDS were reported gone! Women were healed of female problems and

some have since conceived, even though the doctor had told them it was medically impossible. Praise the Lord for His mighty works!

'The Fire Over Kenya Conference' was born out of the 'Fire Over Jerusalem' Convention where Bishop Ochoo asked me to join him. The Lord said to me, "Abide in Me and I shall surely abide in you wherever I send you." These words changed my life, and from that time the Lord began to heal people as I laid hands on them...

I have just heard that 2 people have medically confirmed healings of HIV/AIDS – Jesus healed them during the 'Fire Over Kenya Conference'!

One woman was lying at home, dying of TB. Her husband asked God for a miracle. We prayed. When he got back, she was miraculously healed! In the photo you can still see how thin she had become because of the TB!

Some nights I was kept awake by the witchdoctors drumming, and I prayed against their curses. Bishop Ochoo said they were angry about the healings as it meant lost income. Many testified of the healings of Jesus in the conference and left the witchdoctors to become Christians!

This trip changed my life, for the words of our prayers are enough for His miracles! How can I ever be the same again? I have seen the healings of Jesus. What do I do now? I belong to Him.

This man asked God for a miracle, his wife was at home dying of TB – instantly healed, they invited Suzanne to their home to see!

The healings continue, even back at home in the UK, as Suzanne continues to believe God. The challenge is this, Jesus said: "Anyone who believes in Me, out of his innermost being will flow rivers of living water." Talk is not enough – we need this demonstration of the power of Jesus in the world today! Through YOU!
