How Christians in Horsemanship Began

Through a miracle healing of Jacky Boy from an accident with 2 broken bones in his shoulder, Which God instantly healed.

Before

After

Jacky boy continued to work as a riding school horse for the further 12 years of his life without a days lameness.

Through coming into contact with 'Christians in sport' who encouraged us and gave us many contacts to follow up.

Through the sale of the 'Biblical Approach to Horsemanship' written in 1991 and has caused invitations to other countries to train instructors in this method, shown on T.V. Dec 2000.

To buy this book or video please send £6.00 to us including postage. 'Dare to Follow' at £8.00 with postage, soon out.

Aim of Christians in horsemanship

- (1) To encourage Christians who love horses everywhere.
- (2) To train riding instructors to use their work to teach children about JESUS through horse riding.
- (3) To encourage Christian campsites to use subjects of riding and caring for horses as parables to teach the spiritual truths of JESUS.
- (4) To obey the Lord in every way as He raises new oportunities in sharing JESUS through horse riding and horsemanship.
