Subject: suzzane;s visit glet you

Dear Friend,

Greetings to you all in the name of our lord Jesus Christ , I am happy to let you know how the Lord used sister Suzanne during her recent visit to kenya , she arrived on monday the 25th , and the following day we had a very busy time at the Bala Orphanage , We began by assessing the progress at the orphanage ,the dormitories, offices, taking of the children's photos, met with the staff and finally had service with the staff and the children where Suzanne gave her first talk, on the same day the news of Graces death reach us, [Grace is one of the staff at bala orphanage she was the first kitchen staff at the orphanage, her husband passed away in 1995, and that was why I had asked to help in order to get something for her children now she has left four children. After the meeting where everyone was blessed by Suzanne's message and ministry of healing , we all went together with Suzanne to console Grace;s children with Suzanne and all the staff, it was indeed a very hard time for me and the entire staff of the B.M.C.C. to come to terms with Grace;s death ,Suzanne was very helpful in comforting us all.
