

Bicycle Ministry

We were able to present five bicycles and five megaphones and 16 bibles to Mozambique light of Jesus Christ Ministries, evangelists to evangelise the remote villages of Malawi and Mozambique.

The Africa Church

The pastor got hold of 'Prophetic Vision' and saw that the God of 'Prophetic Vision' answered prayers so he wrote to Eurovision 3 times to send someone, as he felt there was something wrong with their church. After the first seventy conversions I discovered what was wrong, they had been worshipping Nimrod instead of Jesus. As a result of the first church turning to Christ they invited the pastors and wives of the other 6 churches to come to the Samuti Crusade. I gave them the gospel before the crusade began and all of them received Jesus and got baptised in the Holy Spirit. As a result their congregations totaling 1,654 members have turned from worshipping Nimrod to Worshipping the living Jesus who answers prayer.

Divine Connections

Due to problems arranging this trip, we had no letters back from the pastors to confirm any meetings, Or even to tell us how to contact them. This is the first time I have got onto a plane with only one crusade organised. Is that faith? Yet the Lord had everything perfectly organised and connected us up with the pastors in the most amazing ways, even to drive right past and get stopped at a meeting place, where the email we never received told us to meet them. We did not even know the name of the village!! Other pastors were also divinely led to us, right to the church that we had found, without an address. Only God could have so divinely arranged this itinerary, which was full, and so amazingly successful.

Do not limit God, continues in England. The Lord is miraculously opening doors to TV. He has even miraculously led us to a professional editor who is prepared to edit for us. Already 'Voice of Healing' is being shown in countries overseas, but 2005 promises to double this to eight countries to reach twenty four million viewers. God does not think small.

Thank you for all your prayers and support for this outreach, for the Lord is surely doing it.
