

2003 has been the most exciting challenging year of my life. It all started 4 years ago meeting Evangelist David Hathaway of Eurovision, a man of great faith and genuine love for God who challenged me deeply to seek to walk as he did.

In 2001 we met him again in Northampton. David Hathaway was arranging a tour to Israel, but I was testing God's call, so gave him the money to send anyone he wished to Israel. He sent me the ticket. In Jerusalem God called me to serve him, this changed my life. The Lord released healing as he led to pray for others.

2003 saw invitations overseas of 12 weeks of ministry. I saw the Lord do some amazing healings, even the lame walked causing people to turn to God and become Christians. 34 Invitations to preach in England were also received.

I was ordained as an evangelist, and made affiliate Evangelist of Eurovision.

We saw many miracles that God did in completing the building a 40 bed residential Holiday Ranch.

My fourth book "Dare to Enter His Presence" a book on prayer is available for five pounds and is selling very well.

In 2004 invitations to Nigeria, Ghana, Cameroon, Uganda, Kenya, Malawi, S. Africa, USA, Latvia and Italy including Rome, have already come in. Some meetings including T.V. coverage and Radio interviews.

God leads us that the gospel may be preached and people respond. Healings cause much response. We have seen hundreds become Christians as a result. Praise God with us for all he has done.
