

2003 Has been the most exciting challenging year of my life. It all started four years ago meeting Evangelist David Hathaway of Eurovision, a man of great faith and genuine love for God who challenged me deeply to seek God to learn to walk as he did.

In 2001 we met him again in North Hampton. David Hathaway was arranging a tour to Israel, but I felt unworthy to serve God, so I tested His call by giving David Hathaway the money to send anyone he wished to Israel. He sent me the ticket. In Jerusalem God did call me to serve him, this changed my life. The Lord then released healings as he led me to pray for others. It began with a ministry trip to Kenya where I saw the Lord heal 250 people in one week. 2002 saw many more healings in England and overseas.

2003 Saw invitations in 12 weeks of ministry overseas. I saw the Lord do some amazing healings, even the lame walked, causing people to turn to God and become Christians. I also received 34 invitations to preach in England.

I was ordained as an evangelist, and made affiliate evangelist of Eurovision.

I also saw miracles that God did in completing the ranch building, a 40 bed residential holiday ranch.

My fourth book "Dare to Enter His Presence" which is a book on prayer was also published and selling well.

In 2004 invitations to Nigeria, Ghana, Cameroon, Uganda, Kenya, Malawi, S Africa, USA, Latvia and Italy Including Rome have already come in. Some meetings including T.V. coverage and radio interviews.

God leads us that the gospel may be preached, people respond. Healings cause much response. I have seen hundreds become Christians as a result. Praise God with us for all he has done. From Suzanne & Wilfrid Pillans.
