Dear Eurovision, Thank you for your email. I did not need to speak to David Hathaway, I just wanted to send you this email to bring you up to date and for prayer. Thank you! God Bless! Suzanne

Amazing leads from the Lord and as obeyed good things happened. A duty on Faith Ranch which everyone went along with, with excellent results. The Lord told me to go to Minnesota. He told Bill Wiley the owner to buy me a plane ticket there at the same time so I went for 4 days.

In Minnesota I spoke at Heart for the Nations, Bible College, with such a response they cancelled the classes and I payed for the sick until lunch time. I also spoke at The Church of the Resurrection on Sunday with overwhelming response. I prayed for the sick till 2:30 then spoke at the Cowboy church at 6 pm and prayed for the sick till 9:30. The Lord did some wonderful healings. I also prayed for Frank Messo President of International Ministrial Fellowship and the Lord healed his eyes. I also met the director of International Healing Ministries.

Last night back in OH I spoke at New Rumly Methodist church two were not healed but the others were. I speak again tomorrow night and on Sunday night. Please pray for this, as this is a hard area. Mostly traditional - small country villages.

God bless you,
 IN His service,
 Suzanne Pillans
