

CHRISTIANS IN HORSEMANSHIP

Christians in Horsemanship continue to grow. We also work with "Christian Camp Horsemanship International," to train riding instructors who work on Christian Camp sites, to run safe, well organised riding programmes for campers. We have run Instructor clinics in Latvia, France, U.S.A. and England.

In September we will again run clinics at the "Christian Camp Horsemanship International" Headquarters at Faith Ranch U.S.A..

The purpose is to use Horsemanship to teach young people, the truths of the gospel.

We order the A frame structure and it is erected in January 2003. We discover it is large enough for a third floor and apply for three extra bedrooms there, which is granted.

We believe this to be of God, as things like this don't normally happen!! This gives accommodation for a further 10 people, making it a 45 bed campsite.

The Lord has supplied everything, finance to build it, and things have also been given by His people. Dining room tables and chairs for 45 people, crockery & cutlery, kitchen cupboards, catering equipment, all the conference chairs, even top class lounge furniture. All these gifts are of top quality and matching colours. Only the Lord could do all this. Our official opening is planned for Sat. 30th August. Come and see for yourself what the Lord has done.
