Visit to the USA 29th August to the 15th September news.

Action packed time where God moved in our midst. First in Ohio, then the Lord told me to go to Minnesota but I brought little money for a ticket, but God had already spoken to Bill Wiley who approached me and said "last night the Lord told me to buy you a plane ticket to Minnesota," so I went.

In Minnesota I spoke at Heart for the Nations Bible Collage, where I prayed for the students until lunch time. Then the Church of the Resurrection with overwhelming response, many received healing. Then Cowboy church and much more.

Back in Ohio I spoke at New Rumbly Methodist Church, Word of Truth Church, and the Cowboy Church as well as run Instructor Clinics. At one service the people did not believe in healing for today. I was then challenged with Dave Wards healing and the Lord healed him causing a break through. The people then came forward and Jesus healed them, it was a wonderful time.
