

## Teaching letter news {IMPORTANT NOTICE}

David Hathaway has handed me many Pastors names and addresses to send out these teaching letters to. At present we have about 500 Pastors who receive these teachings. This costs over 300 pounds just on stamps to post them.

In order to cut costs we ask that everyone who has e-mail, please send us your e-mail address as soon as possible.

For those without e-mail, we need your permission to give your address to the Pastor we have chosen to be in charge of teaching letters in your country. This Pastor will then post you the teaching letters that we send him, to send to you, on a regular basis. This will save a lot of money on International stamps.

Please answer this letter so that you may receive this teaching letter. Thank you.

## TV Broadcasts and Audios on Website

We will soon be including the TV Broadcasts shown in sixteen countries in Africa on our website, to be watched by anyone interested. For those with lower range computers, an audio of these broadcasts can be downloaded instead.

All our previous teaching letters can also be downloaded from our website.

Our website address is: <http://www.standlakeranch.co.uk>

DO you live in a country in Africa north of the Equator where our broadcasts are not yet showing?. So far they are showing in Nigeria, Ghana and soon Kenya. If you wish to see our broadcasts shown, then please send us the e-mail address and address of your national TV station so that we can contact them to get the broadcasts shown. TV is one of the most effective ways of showing the gospel, as in this way millions of people are reached for our Lord.

We thank you for being part of this ministry for the lost.

God bless you all,

From Wilfrid, Suzanne & Rebecca Pillans.

## Romania June 2005

By Nick Liddiard

I spent a week in Romania travelling with Suzanne Pillans and team. I have been going to that country for over 12 years.

We flew to Hungary then had a 5 hour ride in a minibus to Timisoara in Romania. This is the city where the revolution began in 1989.

Our hosts were Cornel Hudulin, who is the pastor of a Baptist Church, and his wife Sandra. Although they live in Timisoara, their church is five hours away in the town of Tirgu Jiu. Cornel is also an Evangelist having preached in over 700 churches throughout Romania.

Before we left, we were visited by some of the young people whom I had brought to Standlake the previous summer.

On the first night in Tirgu Jiu we went to a small church in the village of Pregoria taking with us some musicians and singers from the church. Not many people had turned out but one lady was healed from severe stomach pain.

On Friday evening we went to the Baptist Church where there were about 120 people. I gave my testimony and about 11 people put up their hands to receive Jesus. Suzanne then gave a message and 30 people were healed in their seats. For one lady this was a very special night as it was her first visit to a church. She received Jesus and was healed from paralysis following a stroke. God is good!

On Saturday we took a group of young people on a picnic in the mountains. The weather was hot when we left, but there was snow on the mountain top. Suzanne is still talking about this day as she loves mountains and because she felt close to God. On Saturday morning I preached at the Baptist Church (it is still difficult for women to preach in Romania).

Before the service we prayed for a girl in her late teens with leukemia. I was overcome with compassion for her, Jesus being her only hope. After the service we prayed for a young girl who has autism. She seemed to respond.

In the afternoon we travelled to a small village called Dimesti where they are in the process of converting an old hall into a church. The small children surprised us by singing *Jesus is the centre* in English. Evening brought us back to Tirgu Jiu with Cornel preaching and Suzanne under pressure of time ministering to those who wanted to be healed. It was a difficult trip in many ways as we felt that the Holy Spirit was being blocked, perhaps through fear and unbelief.

Our minibus broke down halfway between Timisoara and Budapest but we managed to catch our plane back to London.

Second visit is pencilled in for October this year.
