BICYCLE MINISTRY

**WOULD YOU LIKE to PLANT a CHURCH
in AFRICA?**

for £69 you can do so without even getting on a plane.

A BICYCLE, MEGAPHONE & BIBLES

This is all that is needed

You can personally support, along with personal contact an evangelist who will keep you updated with all progress.

2005 reached 300 villages with 22 bicycles and 34 new churches were planted. Every bicycle reached + - 14 villages, resulting in 1 or 2 church plants per bicycle in the first year.

2006

Our aim is to equip up to 100 evangelists with bicycles to reach 1,500 villages. These evangelists are reaching the unreached who have NEVER heard the GOSPEL - simply because there are no roads to the villages - ONLY A BICYCLE CAN GET THERE as it is too far to walk.
