

1. Word of God. John 3:16 For God so loved the world that He gave his only Son that whoever believes in Him should not perish but have eternal life.
2. Command of Jesus. Mathew 28: 19 - 20. Go therefore and make disciples of all nations.
3. A word through the Holy Spirit. To reach the remote unevangelised villages.  
Where are the unreached people today? The remote villages that have no roads or facilities.  
How to reach them without roads? Bicycle, battery megaphone, & bibles.  
Who will reach them? Evangelists that the Lord is raising up to send.  
How do we train them to preach the gospel? By our correspondence Bible School.  
How do you get the Bible School to them? By the senior pastor networking all the churches of each area of that country into organized Bible School and bicycle centres, for training local evangelists and pastors to evangelise the villages, plant churches and pastor them.  
What have been the results so far? 2005 We gave out 22 bicycles spread over East Africa, Central Africa and West Africa. They reached 300 villages, and planted 36 churches and raised up 85 enthusiastic evangelists.

### **What is your goal for 2006**

1. Train and equip the 85 evangelists with the Bible School, bicycle, megaphone and 2 bibles each, at the cost of £69 each and send them into + - 1,500 villages to plant churches.
2. Go into new territories to train and network pastors to send out evangelists to do the job.
3. Spread the work to more countries in Africa and the Far East.
4. Speak in more churches, conferences, radio, TV in England.
5. Form a charity.
6. Get the Bible School established,
7. Upgrade our website.
8. Get "Dare to Step Out in Faith" published.
9. Get our new prayer house called "The Fathers House", which is built in the design of the Biblical Tabernacle, known and used by our area.

As this ministry is being accepted with such enthusiasm and excitement into the indigenous African ways of networking, this ministry can in fact actually reach every village. The need for God is so great, that entire villages often receive Jesus as Lord with only one or two visits.

With an average of 100 members per church, this means 233,000 new christians can be reached and discipled within 5 years.

Do look at our website for up coming teaching letters, newsletters and watch the

It's only by God's provision that I can take a month off to travel with Suzanne Pillans as a supporter to West Africa.

We start in Lagos with "The woman of Treasure Conference." I have never seen such joy in worship, Suzanne spoke on the gift of righteousness and then we came into God's presence. Suddenly the Holy Spirit came through all three floors sparking such ecstasy, it was truly a wonder to behold.

A few ladies followed us to Ughelli. There Suzanne was told of a mother suffering partial paralysis from a stroke. Suzanne knew from the Holy Spirit that her mother would be healed and told her to bring her to the crusade and sit in front. She did so and Suzanne prayed for her first. She was healed and climbed the steps to the platform and walked after a year of not walking. Next morning she could not wait to tell us she was completely healed and could run.

Cameroon was a triumph over the powers of witchcraft and we bound the powers of witchcraft and evil spirits over Idenue for three days. That evening pastor Uris prayed for a lady for deliverance from curses and told her to forgive this person and give the gospel to her which she did. At the same time pastor Henry prophesied that someone was going to die after three days, if she did not repent of hurting Christians.

Next day the meeting doubled and many more were saved, healed and delivered. On Saturday pastor Immanuel from Idenue arrives to tell us that this lady did forgive the lady who cursed her and gave her the gospel. This lady, instead of repenting, went back to the witch doctor in the village, but having lost her power to curse during the three days, sent the lady to another village to another witch doctor to put a curse on this lady. As she travelled back to Idenue with the curse she dropped dead. This stirred all of Idenue to turn to Jesus who saves, heals and delivers, but those who don't repent from sin, die in their sin. We wrestle not against flesh and blood, but against principalities of evil.

In Ghana I witnessed a powerful prophesy, urging the people to go out and reach the lost. This caused all 20 pastors to go out and reach 200 villages for Jesus the same month.

We also witnessed a lady who has been paralyzed for a year, get up and walk within 2 - 3 minutes and after 10 minutes she could run without pain. Next day we saw her again full of joy and completely free.

We witnessed the growth of the networking of pastors from many denominations in 6 areas of Ghana to effectively reach the many rural villages with the gospel by bicycle. Heaven has truly touched earth in these 3 countries. All glory to Christ our Lord.
