Dear Friend,

"Step Out in Faith Bible School" is growing beyond all expectations.

Pastor Oladipo of Nigeria has now arrived back from the Congo with a comprehensive report of 4 contacts in 2 areas who wish to work with us. With the translation of the Bible School into French they will be ready to start. The Congo is one of the largest countries in Central Africa with +/- 60 million people.

Pastor Kampi of Burma is at present in Thailand doing the same work where I myself will need to travel to shortly to also train Pastors and plant Bible Schools in Thailand, Asia & Laos. So far we have 47 Bible Schools in operation in 16 countries. We have just sent out 130 Evangelist Certificates for the first groups of students who started last Jan 2006.

The Bicycle Ministry is also growing. Our next countries to help from the list are Kenya, with 20 bicycles; Philippines and Ghana, who need 40 bicycles for new evangelists who have graduated.

Many more churches have been planted. All this costs money. **I have stumbled on to and been introduced as a charity to the Utility Warehouse Discount Club. You may well not have heard of them because they do not advertise, instead of advertising and employing people they give good service, and good discounts to people that use their services, and then rely on word of mouth recommendation. However, they go further by giving one-off bonuses and then a percentage from the consumer's bill back to the person/organisation that recommended the club. The services are:- Telephone line; telephone calls [its possible to have free phone calls]; Mobile phone; Internet [8Mg]; Gas; and Electricity. In this way you will save money on all your utility bills and help the charity at the same time. A total win-win situation. To know more, call us on 01865 300099 and we can introduce you to this excellent plan.**

We have started a 24/7 Prayer house that you can be part of. By choosing half-an-hour from Monday to Friday, or a slot in the weekends to pray for the ministry and revival in this country. You can pray from right where you are. Please phone or email us if you would like to take part, thank you.

Please pray that we stay alert to God's voice and 100% obedient to this call on our lives throughout 2007. Please pray for the urgent request for more bicycles to be met.

Thanking you for your prayers and support to what the Lord is doing.

God bless you greatly,

From *Suzanne Pillans & team*
