## PRAYER LETTER

Dear Prayer Partners,

John 3:27 - John answered "A person cannot receive even one thing unless it be given him from Heaven". In Uganda I spoke on entering the presence of God and then called the sick to put their own hands on their sicknesses and receive their healing in Jesus name, 30 received their healing within a couple of minutes.

After this, someone stood up and said, "To-day we saw our sermon." "Seek the source, not the miracle."

In the West we tend to ask God to heal us, to do this and that with our shopping list of requests and wonder why God does not always answer?

In Africa the poor and destitute, when they come to God, He is their only hope. They pour out their hearts to God and suddenly they are healed.

It takes a field of roses to make a few ounces of perfume. There is only one thing of value we can give God, that is our love. Our small dew drops of love are precious in His sight and He receives our offering of love, and when He does, he pours out His Love. It is *then* that our healing or requests become manifest.

Will you join me in the greatest desire - *To Know Him More?* Not just so that our prayers be answered, but to simply Know Him more "To seek Him in concentrated love, to seek Him until He be found, to seek Him until we be enveloped in His Love. This and this alone is our surest quest, our greatest pursuit. If you seek Him He will be found by you.
