MISSED FLIGHT A MIRACLE.

After mis-reading the departure times twice for Bulgaria, Suzanne missed her flight and had to book another for two days later. Feeling bad about her mistake, the Lord suddenly speaks "I have caused you to mis-read the times to save you from a very difficult night." She phones Nellie Hristov in Bulgaria to tell

her. She was watching the news. Due to extreme fog, all planes are being re-routed to Romania. Two days later Suzanne arrives in the first plane to land after the fog. How great is our God and how loving is His care. The Lord then heals many as a result of the messages.

NEW ZEALAND.

On January 29th Suzanne flew to New Zealand to speak at churches in both the South and North Island and to also speak in Singapore on the way home. She is very well received and opens her third office in New Zealand.
