Equipping Evangelists with training & bicycles to go and plant churches in remote villages.

3,343 Graduates plant 10,822 churches this year. 10,000 more have registered to study in 2009.

833 Evangelists have qualified to receive bicycles on the 19th November 08 by planting 7 churches

I moved the goal posts because I could not raise 3,343 bicycles. We have raised 579 bicycles so far. We still need to raise 304 bicycles at £32 each totalling £9,728 by the 15th November 08. Please pray.

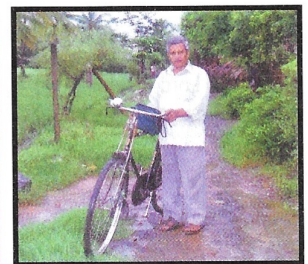

5 Of the 12 churches built by the excited new believers since September 08. These new believers welcome the first church their villages have ever had, and over 60 churches are being built this year.

Please Pray for evangelist crusade of 3,000 & mass crusade where up to 100,000 are expected Nov. 17-23 2008

A couple of the many thank you letters we have received.

My name is evangelist Kokkigadda Abraham. I was a Hindu priest converted to Christianity. Our pastor invited Rev. Ganta to our village prayer meeting. He introduced Step Out in Faith Bible School of Evangelism which is the best. It is the most useful material not only for India but worldwide. After completion, Rev Ganta gave me a **God's Bicycle**. It is an unexpected gift which I have never experienced before. Now I am able to do anything for God. I have planted 5 churches. I am going to plant more churches this year and in coming years.

Evangelist Patta Yesupadam writes "I joined the school and have been blessed by the wonderful course. **God's Bicycles** was given to me. I faced many difficulties without a bicycle to plant churches. Now with **God's Bicycle** I am moving very fast and reaching many long distance villages and hamlets to present the living word of God & proclaim the gospel of Jesus Christ. Mark 16: 15 and I am making many people God's disciples Matt 28: 14 – 21. I am so thankful to the sponsor who sponsored **God's Bicycle**. I never forget of such a great help to me in ministry of God. I planted 4 churches I am very much eager to plant more.
