

## Repentance Messages & Paralyzed Betty Healed

On the aircraft on the way to Uganda the Lord gave me the following words. "Behold I am coming soon, prepare my people for my coming, prepare them for the final sprint, this is your final hour, look up and see the storm clouds gathering.

Do not be afraid, tell my people not to be afraid, only be prepared and in the blinking of an eyelid they will be with me. The whole of history is coming to a climax for this final hour, for the gates of hell are being unleashed, but the final victory is already won, stay connected in me, for your home is already in me and I will protect my own."

Over and over again the Lord told us to preach repentance and the people responded on their knees in tears.

At a church on the second weekend I led the congregation through the sinner's prayer and thought it was complete, so I led the church deeper into prayer. Suddenly an elderly man stood up and prophesied repent, repeating it seven times until all, including the bishop were on their knees crying out to God in repentance.

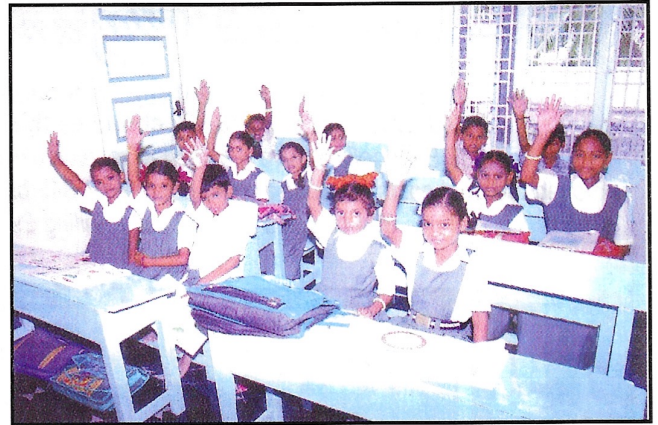

Then the Lord moved in healing, deliverance and inner healing. I was then led to say " someone is struggling with unforgiveness" A paralysed lady called Betty slithered forward on her stomach shouting "I will never forgive my sister I would rather die than forgive my sister."

The next day I preached at Godfrey's Centre and more pastors came to repentance. After the service Godfrey took the bishop's daughter home to where I had preached the night before. I saw Betty the paralysed lady there so asked the bishop if I could pray for her and set up my camera anticipating a miracle.

I then told Betty that if she would forgive her sister the Lord would heal her. She could then bend her paralysed knee. She then got up beginning to walk for the first time in 13 months, to the amazement of everyone there.

On the way home, Godfrey said how my old time message of repentance was the message of the hour for Kampala as many pastors had left the blessings of God that the revival had brought to Uganda, for the message of prosperity. This caused them to take their eyes off the blessings of God for material possessions. This caused sin to seep into the churches, but now after true repentance many churches are going to return to the gospel they had first heard in the revival, that caused the genuine manifestations of healings and miracles that followed.

All I had done was to obey God by giving them the message He had told me to preach, not even realising all that was going on. How I praise the Lord for doing yet again far more than I can ever think or imagine through simple obedience.

Please pray for all new church plants in India, Asia and Africa and for their protection.

Please pray for the newest orphanage in Zambia and for guidance on how to set it up in a self supporting manner as we have in India. At present we are sending £400 over to feed the children every month. A lot of improvements are needed there.
