

## Other exciting updates

**Ghana:** Pastor David Botchway has 10 bible school centres in 10 regions of Ghana. 4 Regions have sent their numbers in so far having brought 483 people to Christ and planted 56 churches.

**Burma:** Pastor Kampi has bible school centres in 7 regions and has trained and sent out 72 evangelists. In the devastating cyclone 4 churches were lost and 6 church members died, plus 2 evangelists.

Even so, these dedicated people do not give up, but push on to plant more churches in the 7 Regions. They tried to send us exact numbers of converts and photo's, unfortunately they were confiscated at Yangon airport by the authorities.

Please pray for these people of God and also for the new Orphanage that they are opening.
