Dear friends,

Thank you so much for your support in different ways. Every gift and every prayer is making an enormous difference to the ministry and is getting the gospel out in various ways to many thousands of people.

I have recently returned from the most exciting trip of my life, to India. We held a National Pastors Conference and gave out 986 certificates and then 582 bicycles to evangelists who have qualified to receive one by completing our Bible School of Evangelism and planting 7 or more churches this year. We then opened and dedicated some of the many churches planted by the evangelists.

This was followed by a mass crusade. On the first day 20,000 people came and 12,863 decision cards were received from those receiving Jesus as Lord. This was all shown on a National TV the following morning, including the, mass healings and testimonies. The next day 85,000 filled the field with 21,640 decisions for Christ, again followed by a one hour broadcast on TV the next morning..

The final evening I was caught in a traffic jam as many tractors, lorries, motor bikes and everything with wheels came crowded full with excited people. **160,000 people turned up to the most glorious evening as the Lord moved in power.** Thousands of people were healed and people came with doctors reports of healings from TB etc from the previous evening. This too went out on National TV, plus next day a further hour on the bicycle ministry, where we gave out the 582 bicycles which ended with the evangelists riding their bicycles through the town.

**91,988 Converts decision cards came in** to be followed up by the 3,000 evangelists and main denominations working together to spread the numbers into the existing churches in their areas, or where there are no churches to plant new ones. **In 2008 the 3000 evangelists have planted over 800 churches having brought about half a million people to Christ. We have 10,000 students in India and more in Africa in our 'Step Out In Faith Bible School Of Evangelism' all set, to become evangelists in 2009.**

Peter and Donna Foulds were special guests with me from England. They bought the building and have taken over the care of the orphanage. They also bought new clothes for the orphans and saris for the teachers. I Thank the Lord for them and all that they have done for the orphans.

**The next mass crusade is from 14 - 16 April 09 in a different town,** I believe with my whole heart that this is of God. Many cities have been reached, but not the towns and villages. **We need to do this work now, while we still can** for these people who are so open to receive Jesus as Lord and Saviour. We also had a very successful visit to Bulgaria with many healings taking place.

**Please pray that we can raise the £10,000 needed for the crusade, and pastors conference, plus £32 for each bicycle needed** for 302 awaiting evangelists who planted 7 churches in 2008, plus the new evangelists who are training in 2009. **We aim to reach one million for Christ in 2009.** With your help we can do it.

Many thanks, for being a partner with us in this exciting work the Lord is doing. We would love to hear from you.

God bless, From,  
Suzanne Pillans.
