

WICHITA FALLS, TX—Ann Southard (above left) and other prayer warriors met regularly at Ann's home to pray for Suzanne's trip to our area. A film showed evangelists receiving their free bicycles in Africa and India.

**CORNERSTONE CHURCH—
HOLLIDAY, TX**
Suzanne shared powerful testimonies, building faith for receiving healing and taught about taking authority over the storms that come our way. She spoke healing over those needing a touch from the Lord and prayed for some by cell phone (far left). She gave a word of knowledge to some and prayed for the gift of healing for those called..

Cousin Lou Bridges (right) came for a visit from Abilene the day Suzanne ministered in Holliday. She shared with us the expansion the church she attends, Beltway Baptist, has begun. We so enjoyed her visit! She gave us lots of pointers about our upcoming trip to Israel in April. We love her so much.
