

**WICHITA FALLS FAITH CITY MISSION
(Friday night, March 20)**

Many more came to receive Jesus, when Suzanne delivered a message about being in God's presence and receiving His gifts of the Spirit. Several people who were in the noon service testified of their healing, that all the pain was gone from their bodies. (lower left). Suzanne's gentle, kind spirit drew them to receive individual ministry. She ministered to those who could give nothing in return.

Let us encourage you to become involved at your local mission, if you are not already. Many people are only two paychecks away from being where many of these folks are, without a home or food to eat. They are so appreciative of a kind word, a smile, and hearing about Jesus

**TEXAS NORTHWEST WOMEN'S CONFERENCE
FULL GOSPEL POWERHOUSE
