WICHITA FALLS FAITH CITY MISSION

(Noon Friday, March 20)

Evangelist Suzanne Pillans from Standlake, Staffordshire, England, received a healing anointing in Israel and came to Wichita Falls and Holliday to minister and share her incredible story. She received a vision that by providing free Bible schools and free bicycles, megaphones, and two Bibles to each graduate evangelist in Africa the small villages that have no roads, electricity, or radios, could be reached. Over 12,000 churches have been planted since 2005. The people at the mission were hungry to receive Jesus!
