

HOLLIDAY, TEXAS

It has been unusual for us to be home at Cornerstone Church for three Sundays in a row. We are providing praise and worship, as different pastors come each Sunday and share what is on their hearts.

Pray with us for a pastor to feel called to Holliday to minister to these dear spirit-filled believers.

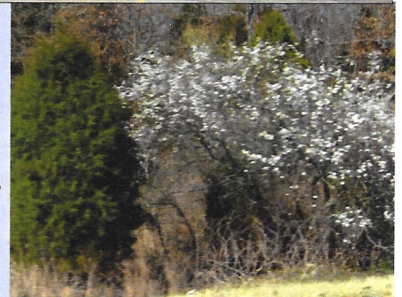

VAN BUREN, ARKANSAS

The new home of Emmett Spencer Ministries, complete with motor-home beside, is ready and waiting for Emmett's complete recovery.

On a day-trip to Tulsa from Van Buren, we crossed the Kerr-McClellan Navigational Channel, where barges and even ships can come to Tulsa, an inland seaport. (left).

TULSA, OKLAHOMA

The month of March in Tulsa offers beautiful spring colors, from wild plum trees beside the road (above right) to ornamental trees in yards.
