Total bicycles given out so far = 1,393

Due to the very large number of bicycles needed for India, we told the 2009 evangelists that we could not even give one bicycle. We have also told Rev. Ganta to only give bicycles to the most urgent needs, -- the evangelists with the furthest distances to travel or the more elderly evangelists.

India is the only country where we have had such mass growth. The other countries have received their full bicycle quota, 60 to Pakistan, 8 to Uganda and a few to Ghana, keeping to urgent needs only.

We had also cancelled the £10,000 mass crusade in November in India, however, yesterday we received a cheque of £5,321.13p for gift aid. We are now praying about going ahead with this crusade that will reach up to 200,000 people and be on T.V. all over Asia by telecast TV.

We thank you all so much for making this work possible. Please pray that we only do the Fathers will and that if He wants this crusade to go ahead we will do it in faith and that the balance of the money needed will come in.

Bible School of Evangelism Kasur

Iqbal Masih shared his healing testimony in Lahore churches. The Kasur believers are so built up in their faith from the love and support of fellow Christians, as well as Jesus healing them, that on Friday the 24th they requested that we start a bible school of evangelism in Kasur. I said 'yes' and the only request is for some chairs, so that they do not sit long hours on the floor.
