Winter Newsletter 2009

**GREAT MOVE OF GOD ~ THOUSANDS
SAVED AND HEALED DURING 3 DAY
INDIA MASS CRUSADE**

by Suzanne.

The Lord turns back 2 cyclones again from the 3 days Crusade held 2nd – 4th Nov causing thousands including 162 Hindu Priests and leaders to accept Jesus as Lord.

Over thirty thousand turn up daily to hear life changing messages on the Authority of Jesus which are confirmed each night, as thousands receive Jesus as Lord and healing to their bodies. Many lined up and testified of incredible healings from TB, leprosy, cancer, strokes, blindness, paralysed bodies and pain. Even those born deaf and dumb could suddenly hear and learn to speak.

All this was broadcasted out live to mainstream secular TV each night. As a result, many watching the crusades on TV phoned in, including 162 Hindu Priests and leaders having seen with their own eyes that Jesus definitely is Lord of all.

The Hindu people said they were particularly amazed how the Christian God held back the cyclone to exactly one hour after the final crusade finished, allowing everyone to get home first. This showed them that the Christian God is not only alive, but is also a God of incredible love.

16,640 decision cards have already come in and more are coming in daily to be baptised and churchd.

This crusade had been cancelled due to lack of funds, but then our first gift aid since 2006 came in and this paid for the entire crusade. Thank you Jesus.

Jesus draws the crowds, Suzanne preaches.

Step Out in Faith - India Report

by Peter Foulds

Wow. What an amazing trip we had – adventure would be a better word!

The India Crusade was amazing, we were in the midst of the rainy season and God stopped the cyclones - it was fine, beautiful weather. Thousands of people were saved, and many many healed. A girl who was blind in one eye was radiating the Joy of Jesus after she had received her healing. Without doubt, God was at work and He is on the move.

Suzanne was anointed in her preaching and the atmosphere was one of joy, excitement and most of all faith – interwoven with expectancy.

The icing on the cake was at 12:30am after the crusade had finished – it rained. In fact it poured! The Lord was in total control – why am I surprised?

We went to the Orphanage which was wonderful. In one year the change to these young children had to be seen to be believed. They had gone from a sense of worthlessness to a place of belonging. I praise the Lords name. We were able to open a computer class with the two computers which we had taken with us; the children were so blessed.

Jesus did many other things as well, if every one were written down, this newsletter would be a book! God Bless, *Peter Foulds.*
