

Ministry Expansion

Due to this fast growing ministry our five year goal was not only reached, but far exceeded all we could think or imagine. Thank you all for making this possible. We have 151 bible schools who graduated 11,500 students this year, planted over 9,000 churches and reached over 90,000 people for Christ. This will well double in number next year. We also managed to raise money for 625 bicycles, 2 three wheeler cars and a generator for Pakistan and 4 motor bikes for Ghana. We thank you for every help you have given us.

2. We are training up more Evangelists to go out once a year to check the work in different countries, open churches and speak at smaller crusades.
3. We plan to take teams of people with us on short mission trips to replace their annual holidays, we guarantee you will grow rapidly in your faith and enjoy every moment, getting involved in praying for the sick, opening churches, baptising people and speaking. Please contact us if you are interested in coming on a trip to India or Africa.

God bless you from Suzanne Pillans.

Prayer Points

1. We have begun a new orphanage in Zambia for 357 destitute children who were slowly dying due to their parents having died of HIV Aids. We are feeding them at present. Please pray that we can find a larger ministry or church to take these children on, or somehow help us feed them all.
2. Finance to come in so this work can continue.
3. We have done all we can to get each country as self sufficient as possible and have cut back bicycle giving to 10% of the graduates receiving one. Bicycles are still our main need.
4. That we only do the Fathers will.
