Dear Friends,

Thank you so much for those who have prayed or given into this ministry. Through your efforts, we have been able to send all the needed Bibles to Pakistan and raise a further 2800 Bibles. We now only have to raise 7200 Bibles for Evangelists who are still waiting and praying for a Bible in the other countries.

FOCUS ON PAKISTAN

This is our second month on TV in Pakistan 'Step Out in Faith with Suzanne.' We cancelled all the other programmes in USA and UK and sent the £200 a month to Pakistan for our weekly Programme and translation into Urdu. We have some amazing testimonies which have come in.

- 1) Busina Bibi had tumours in her neck. She said "Jesus healed me completely from all sickness. Before this I never believed in Salvation or the healing power of Jesus, but one day I was watching Television and heard the Word of God through Suzanne. She was preaching about the power of prayer and this touched my heart and I started crying and repented of all my sins. When Suzanne prayed, I put my hand on my neck and I felt a great power touch me, and after the prayer I was completely healed".
- 2) Nasreen Khemat was sick for three and half years with TB. She was getting sicker and sicker. Even her parents thought she would not live much longer. When watching TV, 'Step out in Faith with Suzanne,' she felt miracle power enter her body exactly at the words "be healed in Jesus' name". "I tried to stand up and walked feeling very light and feeling better. Now I am completely OK and have devoted my life for the glory of God."

3) Rani Bibi and her husband Lall were Muslims. Lall became paralyzed and could not walk. She said "we saw our family go down and down, but last week when we were watching TV, we turned to another channel and watched 'Step out in Faith with Suzanne'. The Word of God touched us and we accepted the Lord Jesus Christ when I and my husband both were weeping, we gave our lives to God. We felt amazing peace and comfort enter us. Suddenly, my husband heard a voice say, 'stand up' so he tried to stand up and got power and could stand without any support. Praise God that now God has completely restored and healed us for His glory. Now we are Christians, believing on the Lord Jesus Christ.

STEP OUT IN FAITH BIBLE SCHOOLS IN PAKISTAN. We have 14 Bible Schools which have trained 480 students. They have planted 328 churches in various areas and led 8700 people to the Lord. 3200 of these new believers have already been baptised. They have also opened 55 Sunday Schools with 2470 children regularly attending. WELL DONE PAKISTAN!

TELEPHONE EVANGELISM, PAKISTAN

Normally up to 30 people receive Jesus and about 25 people receive healing at most village meetings on average through the telephone ministry. Here are a few testimonies.

- 1) Amant Masih 13 years old had high fever and could not stand up. Through our prayer for healing in Jesus' Name, he started running totally healed, as people clapped and shouted for the glory of God.
- 2) Sugrna Bibi, 35 years old with pain in her stomach that the doctors could not heal. As we prayed over the phone, God healed her completely.
