

## *Pakistan Report*

Pastor Arif who heads up Suzanne's work in Pakistan has been very busy helping flood victims in Pakistan, distributing food, blankets, water, etc. Finance was able to be sent from NZ to help alleviate the suffering there. Also over the past two months, 94 bicycles have been purchased from finance given in NZ for evangelists in Pakistan. Pastor Arif arranges the graduations and distribution of the bicycles.

Many thanks to all who sponsored an evangelist with the gift of a bicycle.

*Distribution of essential items to flood victims in Pakistan*

*Pastor Arif distributing bicycles to the graduates*

## *Uganda Report*

Pastor Edward Kisembo has just completed the graduation of 2484 evangelists from the 104 Bible Schools in Uganda and surrounding countries.

During this time of visiting and preaching, 500 people came to the Lord and lots of new churches were planted.

Please continue to pray for these evangelists as they use their bicycles to reach all the unreached villages in their countries.

*Graduates from one Bible School in Uganda*

## *Nigeria News*

Rev. Oladipo has just graduated his small, but well run Bible School in Lagos, Nigeria. During the year he has done two crusades in the north of Nigeria where he has planted a further Bible School and some churches. He has also planted two Bible Schools in the Congo.

## *Ghana News*

Pastor David Botchway has also graduated some of his Bible Schools which are located all over the different regions in Ghana. He has also completed a very successful Pastor's Conference.

Rev. Oladipo and Pastor Botchway began working with us at the very beginning of the ministry.

We congratulate them both for their continual, steady growth.

## *New Bible School in Macedonia*

We are starting a new Bible School in Macedonia as a result of a visit to the country by Suzanne several months ago.

## *A New Level*

Suzanne's Ministries has gone to a new level.

With our new volunteer staff; Peter Clack – Manager, Amanda – Secretary, Robert – Finance, and Raymond – running the ranch, we thank the Lord for them. Suzanne is now free to only do the work the Lord has called her to do; evangelism, preaching in churches, writing books, the Bible School work and telephone evangelism.

Suzanne will be introducing a multi-choice exam system for all 12 Bible School subjects with 12 lessons per course for the evangelist's certificate. This will upgrade the whole Bible School. Suzanne will also be using the Derek Prince teachings for the Pastor's certificate.

Suzanne will also be completing her two new books, "Dare to Walk in Power, Authority & Love", and "Heaven sent Riding Skills".

## *Prayer Points*

22,000 Evangelists have been trained in 2010 and at least 25,000 are expected to study in 2011.

Please pray that we can grow the existing support base so we can keep up with this fast growing ministry.

Please pray that some more churches would support this work.

Please share this ministry with your friends who may also like to receive newsletters.

The Christians in India would like us to have a mass crusade next year in a hired outdoor stadium. This will cost 22,000 pounds. This needs a lot of prayer to hear God's will concerning this. Please pray and let us know, as we have to book the stadium very soon.

*We thank you for all you have done for us  
this year to enable this ministry to  
continue successfully.*
