

# Suzanne Pillans

is coming to the Wairarapa

## 12-16 February, 2010!

**Healing blindness, deafness, leprosy, TB, cancer, strokes, paralysis etc at meetings where 30,000 people have attended daily in India & Africa, God has worked through Suzanne Pillans many times by the power of Jesus Christ.**

An International Speaker and Author, Suzanne moves in the miraculous, and has a powerful healing ministry. Formerly a horse trainer in the UK, Suzanne Pillans now travels widely telling her story. God spoke to her about 5 years ago whilst in Africa about reaching needy villages, and how bicycles were the key! She now has 21,000 villages reached in Africa, India and Asia, and 11,000 bicycle riders helping to reach all these. Two million people are expected to be helped by this means. In addition, Suzanne has set up orphanages as she has come across specific needs, and her 'Step Out In Faith Bible School & Bicycle Ministry'.

The public are most welcome to attend any of these meetings, especially if there is a specific need for healing. Suzanne Pillans, hosted by Carterton Baptist Church this trip, speaks at a number of venues throughout the Wairarapa.

Come and hear her share personal experiences about the miracles God is doing in these needy places, help fund more bicycles, and expect a miracle yourself!

**Even though there may be a multitude of reasons to dismiss a belief in God, investigate the possibility !**

**Believe God for hope, healing and a new start!**
