Dear

Please accept the small gift enclosed as a very big thank you for all the monthly support that you have given into this ministry. The difference you have made surpasses all that you could imagine, for instance this ministry is run by:

1. £750 Per month profits from our Ranch UK.
2. £500 Rental from our granny flat in New Zealand that we completed during our time in New Zealand.
3. £1,005 from our 55 monthly givers which includes you, plus some one time gifts.

For 2010 these wonderful results

1010 Number of Bible schools. 261	1010 Number of students 26,492	1010 Number of churches planted 4,913	1010 Number of conversions Baptised.49,479	Number of conversions total 225,081 over 3 years.
---	--------------------------------------	---	--	--

The reason the number of churches planted and therefore the number of converts is less in 2010 is because we were unable to supply the needed bicycles, except in Pakistan and a few in Africa, leaving the rest to walk.

We have been crying out to the Lord in tears and brokenness as to how to reach the next level in speaking in more churches and getting more supporters to help us in the work that is so effective in reaching the lost.

The Lord Himself told us personally to do it this way. I believe for 4 reasons.

1. Nationally trained evangelists understand the culture, customs, lifestyle & languages of the people.
2. This is the most effective communication between peers.
3. This is the wisest investment of resources, because national evangelists on bicycles can do the work so much more effectively and economically than foreigners can. They eat the same food, they can handle the heat and only ask for a bible and bicycle to do the job. Even without bicycles the results are still very good, but it still costs money to keep 261 bible schools going because, of translation, photostating costs, transport for the leaders and bicycles.
4. They have produced the best results that speak for themselves. Your support has helped keep the bible schools and the whole ministry going.

We thank the Lord for you and pray His blessings upon you as you continue doing this most important work with us. The last words of Jesus before He ascended, "Go and make disciples of all nations and lo I am with you to the end of the age".

God bless you and thanks again,
 From,
 Suzanne Pillans.
