PAKISTAN TV NEWS

A lady (Sajida) began to manifest demons while watching "Step Out in Faith with Suzanne". She fell crying and breaking things yet as soon as Suzanne prayed, the demons left her and she was set free. She phoned the TV Station and Arif said he would visit her and phoned Suzanne to pray for her. Suzanne led her through the sinner's prayer and realising God had already set her free, prayed for the other members of her family whom the Lord also healed.

Warise Masih, had kidney stones for 5 years and had one operation but not all the stones came out. He was feeling very disappointed as he felt he had become a burden to his family. While watching Suzanne's TV programme, God touched his heart and during the prayer, he placed both his hands on his kidneys and Jesus Christ healed him immediately and there was no more pain in his kidneys! He went back to the doctor for an ultrasound and he was told that there were no more stones in his kidneys. Praise God.

Nafees Masih had a bad accident in which both his legs were badly injured so that he couldn't walk properly anymore because of the pain. Last week Pastor Arif and his team went to his village for evangelism during which Suzanne preached to them via the telephone and prayed for the sick. Nafees received healing in both his legs and can now walk normally without any pain! Praise God!
