NEW ZEALAND NEWS

It was hard saying goodbye especially after the terrible earthquake. The churches though have really come to the fore front in sharing their facilities with each other and reaching out to the devastated community, a real example.

AUSTRALIA NEWS

A wonderful three weeks of visiting churches in Sydney and Canberra accompanied by my husband Wilfrid. They were very generous with giving to our ministry so along with the very generous support of New Zealand and gift from George Verver, OM England, we were able to reach the goal of sending the full 2,500 Bibles to Uganda and NZ raised the full number of Bicycles to Pakistan. This completed the needs for 2010. THANK YOU SO MUCH.

NIGERIA NEWS

Pastor Oladipo has just returned from a mission to Northern Nigeria where he saw many healings, a tumour disappeared from a woman's chin; the blind received their sight plus other healings.

PLEASE PRAY

- For needed finances to keep Bible Schools going.
- For Bibles for Uganda's 2011, 3,109 students.
- We have cancelled all crusades for 2011 to concentrate on keeping the Bible Schools going.
- Pray for the Discipleship course to be received in more churches in the UK

LOOKING AHEAD

Stamp increase has caused us to send e-mails only, to those who have e-mails. If you have an e-mail please let us have it, so we may replace the letters we send out to you by email instead. If you do not have an e-mail, we will carry on sending you newsletters every 3 months.

1. To bring in more funds, we are opening Week days for conferences, churches, Pastors or leaders away days at our Ranch. We are also inviting schools to have a day's outing in nature conservation, horse riding and boating at Standlake Ranch.

2. At present, we have 24,000 students in India who want to go through the Bible School, but we have struggled to send £1,200 to start the Bible Schools for the nearer 10,588 students. They need £4,800 to get all the materials translated and for transport to these northern Bible Schools. We have cut back so much to concentrate on keeping the existing Bible Schools going. We desperately need £3,600 more, just for India.

3. We have 123 Supporters so far in England to fund 17,096 students already training as Evangelists this year. Please pray that more people would consider becoming a partner. Even £5 a month will make such a difference of £60 a year. 24 new partners would cover this cost.

4. Please help us find more churches or individuals who have a heart for evangelism and would like to help us plant more churches.

With a heartfelt thank you,
Suzanne.
