Jan 2011 Newsletter

10th YEAR ANNIVERSARY. We hope you had a wonderful Christmas and New Year.

We thank you for all the help you have given in various ways. Thank you to all our partners in England, USA, Australia, and New Zealand who raised \$48,632 in 2010.

2010 has been an outstanding year with the training of 16,000 evangelists. Thousands of new churches have been planted and also the amazing results of **teaching over the telephone** where we are able to teach our students in various countries over the phone.

Telephone Evangelism

We have had amazing results, especially in Pakistan where the Lord has done some outstanding healings causing many people to receive Jesus as Lord.

A few weeks ago 3 blind people were healed, one had been totally blind for a long time. This resulted in another invitation to share Jesus in more villages & pray for more sick people

Irfan Razaq is six years old. Five months ago his left leg was fractured, he could not walk properly or stand but after prayer by phone he can stand, walk and also jumped in the air with excitement.

Amna. This young girl had a stone in her kidney, the doctor said she needed an operation to have the stones removed. Her parents took her to the prayer meeting where she was prayed for over the phone, Jesus healed her Kidney, all pain was gone. She no longer needs an operation. Thank you Jesus.

India Crusade 4 - 6 October

We first went to Trichy where we taught in two of the Derek Prince bible schools and then spoke in some churches.

We then flew to Bhimavaram to open some new churches, graduate Bible School students and spoke at a mass crusade of 30,000 people per night. Again the Lord turned back the rain from the crusade and about 45,000 received Jesus as Lord altogether.

Discipleship Certificate

In New Zealand we have done telephone evangelism and teaching. We also set the multiple questions and answer exams for the bible schools and completed the finer details of the Discipleship certificate in partnership with Derek Prince Ministries, <http://www.youtube.com/watch?v=YiOKNzCRH3A> Please show the brochure to your pastor.
