

HEALINGS TELEPHONE TESTIMONIES

Imran Masih was mentally handicapped since childhood and couldn't recognise his parents. He was instantly healed and for the first time he could recognise his parents and talk normally.

Afzal could not see to the point that he had to use a stick to move around. He was instantly healed and is very happy. The people glorified God for this healing

Skeena had the issue of blood. Three days later she called Pastor Arif to tell him of her healing.

Jamiel paralysed hand. After Suzanne prayed for him, he said that he could feel current in his hand. His hand was completely healed and moved easily.

TV PROGRAMMES

People received healing while watching our programme. They invited Arif to come and **55** people gathered. Suzanne gave them the gospel by telephone. **33** people received Jesus as Lord and **15** people received healing. In another meeting, **40** people came, **22** received Jesus, and **12** people got healed.

In Mann Valla village, a further **36** people gathered. All were non-believers. Suzanne preached on the love of God, **17** accepted Jesus as Lord, and **14** were healed.

In each of these villages, new house churches are planted and the new believers get baptised and disciplined.

Crusades in Uganda by phone

159 people received Jesus as Lord and a local woman donated some land for the new church plant, which will be run by one of our graduate Evangelists. We have just had another crusade where 4,700 people attended. 1,014 received Jesus and there were 87 outstanding healings. All for £200 per crusade.

An amazing phone call to Uganda

We were teaching on the "Armour of God" Eph 6:10-18 after which we prayed for the sick and led people

to Christ over the phone. I was then told that the local mosque from Congo and the 2 witch doctors had come to the meeting but after they heard the message, all 16 Moslems plus the 2 witch doctors received Jesus as Lord. The next day the witch doctors brought their bones to be burnt and all of them were baptised that afternoon. A church and bible school has now been opened in this area.

RAPID GROWTH OF ORPHANAGES.

A further 282 orphans find our orphanage in Zambia and are taken in and fostered into the new families,

Children playing in front of new orphanage building

This causes a problem as how to feed 998 orphans. Kelvin has separated the 282 into 2 villages. The first orphanage has 57 children costing £228 per month. The second has 500 orphans costing £2000 per month. The two new orphanages have 142 children each costing £568 a month each. Total £3,364 at £4 per child. Add the 113 orphans in Pakistan at £1,000 a month brings the cost to £4,364 per month.

Ahava Love Ministries have adopted the first orphanage and we are desperately looking for 3 churches, schools or individuals who are prepared to take on one of these orphanages.

This is an urgent need as we cannot let these children just die. The problem is that our ministry cannot afford to feed so many children

Ministry income.

We run a riding school for a living and raise £1000 per month from our ranch.

We raise £1,005 from our regular UK supporters and £774 from our regular NZ supporters and £200 from USA. That is £2,979 per month, Australia and partners also give some gifts when a newsletter goes out. With £4,364 needed towards the orphans each month, it leaves a big problem for the ministry.

Please pray earnestly that some organisation take on one of the orphanages or help start a business. Please help spread the word or help in any way you can.

Many thanks, Suzanne.
