

Orphan News

We now have 1,850 orphans in Zambia and 167 in Pakistan that is 2,017 altogether. Yet the Lord has done a miracle each month in providing for the orphans.

We thank each one of you, our partners, who have been part of these miracle provisions in obedience to the Lord. You will be truly blessed.

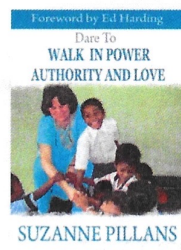

David Nyirenda is doing a wonderful job in the Zambian orphanages. This month they will be building new toilets and store huts ready to store maize for the coming harvest.

The chief is also giving 120 acres of land to grow crops for the orphans. We thank you for giving these orphans food and new hope. We aim to make the orphanages self sufficient within the next year or so.

Radio Bible Schools

I could not get through to the radio station by phone. "Lord this is not working too well, what do I do"? The Lord replied by showing me to put the teachings on Audio and upload them onto our web site; to then email every English-speaking Radio station, to offer the bible course teachings free. The next day I got a phone call offering me a high definition radio recorder and TV manual in obedience to the Lord's instructions. Only God could have directed him to do this and the job is getting done.

Radio Crusades / Sierra Leon

Radio crusades are a result of a crusade that did not happen because of rain. The disappointed people decided to put the crusade on radio.

Suzanne gave the gospel message, prayed for the sick and then prayed the salvation prayer. The radio station then invited listeners to phone in with their testimonies. The testimonies were outstanding, seven crippled people were healed, three blind people were healed, a tumour disappeared, Appendicitis healed and far more.

The Radio station personnel were so amazed that they repeated the program four times and many people received Jesus.
