

# A Word From The Lord

I believe I heard these words in prayer for you our partners and should share them with you.

‘Let your partners know each challenge I have given you, for I want to raise you up together as an army, to fight the forces of darkness and to bring my salvation to people near and far.

I have called you Suzanne to lead this ministry not to take full responsibility for it. I alone am responsible for my ministry. Lead the partners I have given you into evangelism with you, in prayer, in finance and in full participation for those who are able.

It is I alone who bring the victories, heal the sick, deliver the oppressed, and set the captives free. I do it as a result of the obedience of all of you my partners in the different areas I have called each one of you to participate in.

“Know therefore, this is my ministry alone, do not cut back, but go forth boldly in me. I have called this ministry into being and I will be with all of you continually in the works I have called you to. You will be amazed at what I will do through each one of you.”

I am so glad that the Lord is the director of this ministry and that I am only the Messenger. Please pray that I hear God clearly and walk in total surrender and obedience daily, that I never limit Him in any way.

Please pray for this ministry and if you feel called to be a part in any area, Please write or email me and I will include you in that area.

God bless you,

From,

Suzanne.

It is our calling to train up as many evangelists as possible to go out and reach every village, every hamlet and every farm.

This is not only for our evangelists in Africa and Asia, but also to equip you to reach your friends, and to witness to at least other person a week.

We are all involved in evangelism together as Christ’s last words to us before His ascension.

*Mathew: 28: 19 – 20 Go ye therefore and teach all nations baptising them in the name of the Father and of the Son and of the Holy Spirit.*

Jesus is speaking to us now. You and I together. Let us do it!!.
