Visit Up North

Expect A Miracle

That was the sign we put up in our small chapel . We prayed for a door to open and we received three miracles.

1. Suzanne coming to the little village of Corbridge in Northumberland after a telephone call asking her to pray for one sick person, not planned by us or her.
2. People coming to the chapel that had been closed and opened again for only nine months by a handful of people. The place was full, nearly a hundred people for the first time in years, Suzanne stayed for an extra meeting.
3. Suzanne's boldness in preaching the gospel. We experienced the presence and power of God. Many sick people were healed and blessed. Could this be the start of revival in the North?

Every blessing. Rydal and Anne.

TEACHING RETREAT Next date is 26 - 28 October.

Personal Letter From Suzanne

The Way Forward

Suzanne is sixty years old and Wilfrid is sixty nine years old We want to make the next ten years, our most effective in the Lords service. The Bible holds the whole of mankind's history from Genesis to Revelation in its full time span. If we look at the world news, we can see that we live almost at the end of the book. Jesus is coming back soon. We need to work now while we still can.

Looking at our lives at present. We are running a riding school for a living and a residential Ranch to raise funds for the ministry. We also do all the secretarial work ourselves. This has caused us to be partly burned out and Wilfrid has collapsed four times this year due to overwork.

How do we get to the next level in our ministry?

Let TLB, a Christian secretarial business to do our secretarial work on our behalf, to free us to concentrate on the Bible Schools and all that the Lord has told us to do. This will be cheaper than employing a secretary because we only pay for the hours spent on our job. This will mean we will have a PO Box number in Swindon and a new phone number. Our email, website and home phone number will remain the same.

This will free us to wait on God properly, become less tired and more filled with the Holy Spirit who will equip us fully to do God's work effectively and to the fullest of our potential. We have also employed Malcolm to help us.

Some of you receive both a letter and email. Please could you let us know your preference so we can update the data base. Thank you.

Please let others know about this ministry. Intro DVDs are free. We have some vacancies free to speak in churches. Thanking you. God bless you,

From Suzanne
