## *News letter July 2014*

**SIERRA LEONE: Radio News Reports** "Dura by the grace of God has been set free from the Ebola Virus." There are other towns that are completely infected by the Ebola Virus as we speak. There is a great panic in the country and only by God's intervention, shall this Ebola Virus be destroyed by the grace of God". The country has set Friday 27 June for national prayer and fasting against the Ebola Virus.

15<sup>th</sup> June 2014 6am Suzanne prays over the phone and radio for 6.5 million listeners in Sierra Leone then again on Tuesday at 8pm. Pastor Bobor is invited to the infected area of Dura to do a crusade but could not do so as 18 people died from Ebola that day. Local radio is arranged for 8pm. The Lord then prompts Suzanne to take authority over the Ebola Virus to stop in Jesus name. From that moment the Ebola Virus completely stopped and 2 people very sick from Ebola were instantly healed. The next day people danced and praised God in grateful thanks on the streets. 120 people were healed and many received Jesus as Lord. By 20<sup>th</sup> June it made the news.

**New Zealand & Uganda:** Karen and Lee Merriman have returned to New Zealand from an exciting month visiting all the orphan schools and bible schools under Pastor Edward Kisembo. Karen has given a glowing report of the work and is returning to Uganda to work alongside Edward for 3 years. New Zealand is also supporting 140 new bible schools in Kenya, plus organic gardening is helping the widows to produce prize vegetable gardens.

**Pakistan telephone ministry:** Villages reached weekly with miracle healings bring many to Christ. This week a tumour disappeared and a lame man got up and walked.

**England:** The two teaching weekends in May at Standlake Ranch went very well. Please let us know if you would like to attend one, and we will phone you. **Prayer for Britain:** Suzanne feels the Lord would like to raise up women all over Britain to pray for Britain. Bishop Aristarcus in 1911 prophesied "Britain will lose its empire and its colonies. '(we have three left)' and will come to almost total ruin – but will be saved by praying woman." When we pray the Lord will answer, sometimes in very powerful ways.

Please email or phone me if you are interested to pray for Britain. Please tell existing prayer groups. I am also prepared to travel to any church to encourage, teach and link them up to other prayer groups in Britain. Let us pray together for this country.

We thank all of you for being partners with us in this exciting ministry.
