STEP OUT IN FAITH

Newsletter October 2014

Sierra Leone: Pastor Emmanuel Bobor reports that further towns and villages are being set free from the Ebola virus as he travels from town to town, village to village to hold crusades and Suzanne preaches the gospel message via phone. Hundreds have received Jesus and as we take authority over Ebola Virus together with the people, the Lord instantly frees the area from Ebola Virus. Pastor Bobor has completed his visits to the East and is now travelling up North. The map shows the areas set free with a blue dot. Thank you letters which have been sent in from Chiefs and are on our web site. We still await verified results from the local medics which takes 21 days.

Liberia: Due to what God is doing in Sierra Leone Suzanne also now speaks on radio in Liberia. The main transformation in Liberia is that the people have been restored to hope. They were in fear but now they have faith in God who has conquered their fear and the churches are now filling up with people.

Nigeria: Radio broadcasts are being arranged in Nigeria to do the same job.

Uganda: 10,018 Evangelists are graduating in 126 centres right now. During their training they preached the Gospel home to home in villages and brought 14,339 people to Christ. 62 Churches have also been planted this year. Thank you for donating towards Bibles and bicycles. We also thank Derek Prince Ministries for donating many Life Changing Spiritual Power books to our students.

Kenya: Has started 200 new Bible schools through the work of Joy Johnson. Joy is also training widows in organic gardening and has started 60 new Bible Schools for widows. In 15 different areas of Kenya we have put in bore holes to give communities access to clean water.

Ghana: 500 students will graduate altogether in ten Bible Schools in October. These are run in each region of Ghana, plus various outreaches have been run successfully. Suzanne will be speaking at a pastors conference via Skype in October.

London: Do listen to the latest radio broadcast on Tuesday 9 September on Premier Radio London at <http://www.premierchristianradio.com/Shows/Weekday/Woman-Woman/Clips/DoesGod-do-miracles-today>. Suzanne has also spoken in 12 Churches in England in the last three months.
