

Summary of the East Africa Work in 2014, by Joy Johnson

Bible School work

- * 202 Bible Schools started in Kenya in 2014
- * 32 Bible Schools started in Somalia, Ethiopia, and Sudan in 2014
- * 17,000 students were trained in Evangelism in these Bible Schools.
- * 18,310 New converts have joined the churches. Many churches have grown from 40 members to 350-500 members, as a result of the monthly outreaches with the students.
- * 2,500 Prisoners gave their lives to Christ, of which 1,800 were Muslim. 2,200 were baptised in November 2014 in the Mombasa prison.
- * In 4 refugee camps in Kenya evangelistic work has begun, Dadaab, Bravan, Kakuma, Karachi camps. Hundreds are turning to Christ and being disciplined. 1,012 baptised in Dadaab in December 2014.

Widows' training

- * 8,603 Widows trained in organic gardening to improve their soils so they can grow better crops.
- * They also attend the Bible Schools set up for widows in their areas and many are receiving Jesus.

Water

- * 40 Boreholes have been dug for Kenyan communities to provide clean water and to enable good gardens in the desert areas. These protect the widows from the risk of being raped during many miles of walking.
- * 13 Boreholes have been dug in Somalia, Ethiopia, and Sudan. Women were collecting water by walking 6 to 8 hours to a water supply. Therefore a borehole in their own community provides safety for the women
- * 5 Water tanks have been installed in 4 schools for orphans in different provinces in Uganda

School building work

- * 2 Toilet blocks have been built for two schools for orphans in Kenya.
- * 4 School classroom blocks, with 3 classrooms in each block, have been built with bricks and iron roofing for schools for orphans in 4 provinces in Uganda: Kasese, Kyenjojo, Kibaale, Mubende.

The End time harvest is coming in: Many Muslims especially are converting in East Africa. God has demonstrated His love, by providing protection for His widows, with the many boreholes that have gone in and also His care for the orphans, to whom He promises to be a Father. **Only Our God Could Accomplish All These Things In One Year!!** All The Glory Goes To Him. Erw Goed Retreat

We have sold our small holding in New Zealand and bought a beautiful three bedroomed retreat in Blaenau Ffestiniog in the middle of Snowdonia National Park in Wales. We feel the Lord has led us to open this retreat for pastors, leaders and Christians who want to seek the Lord for a new level in ministry, rest or healing. This comfortable retreat is set in outstanding beauty in the mountains next to a cascading river. It has half an acre of gardens and woodland and is easily accessible by train or car. Phone 01865 300099 or email suzannesministries@gmail.com if you would like to book a few days for yourself or family. The prices are reasonable with full board or self-catering. Discounts are available for pastors or bookings over 9 days. There are beautiful walks to go on and plenty to do. Standlake Ranch will continue as normal.
