

EAST AFRICA REVIVAL

In the last six months, many Bible Schools have started in Africa through the help of NZ supporters. The Bible Schools are having monthly outreaches, and thousands of people are coming to the Lord. **The numbers indicate the amount of converts in each country, the total being 59,600!**

Suzannes Ministries NZ is endeavouring to

disciple all of these new converts in groups of 300-400 people, taking them through the Derek Prince Self-Study Bible Course. We would like to supply each leader of the groups with a Bible.

Therefore our most urgent need at this time, is for Bibles. Cost of one bible is NZ\$10.00. If you would like to help, donations can be made to:
