### NEWS, NEWS, NEWS 2015 JUNE, JULY

**FOCUSING ON THE UK:** *New Book.* "Dare to Break Through The Impossible With Christ" is out. Only £7 including postage to all our partners in the UK or \$20 including postage to our NZ and Australian partners.

**Doctorate of Ministry:** Suzanne was awarded her Doctorate in Ministry in March 2015 from Vision International University of Florida, presented it on 8<sup>th</sup> May 2015 by the Rev Dr Denis Plant from Australia.

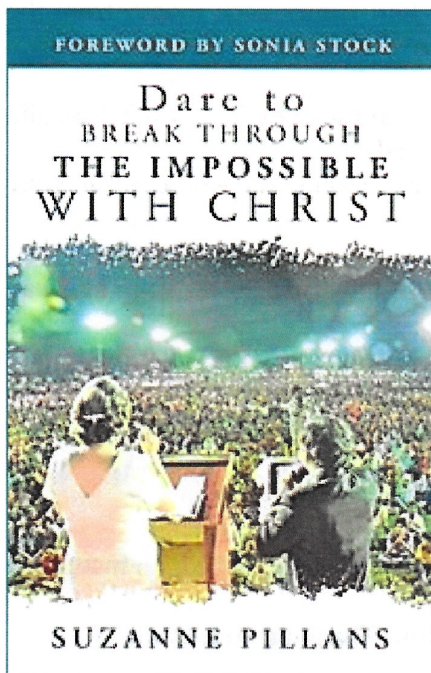

**Erw Coed Retreat:** Suzanne and Wilfrid have been running Teaching, healing and prayer retreats at Erw Coed Retreat, North Wales, for families or small groups. Erw Coed is situated in a town in the middle of Snowdonia National Park which offers steam train rides, one goes up to the top of Mt Snowdon, boat rides, mountain walks, and many activities for young and old.

Do book your place at only £25 per night and £5 per meal for a retreat in outstanding beauty. Extra holiday activities of your choice can also be booked. Phone 01865 300099.

**Talks and baptisms.** This year Suzanne is seeing a stronger anointing as she speaks in various churches in the UK and heard some good healing testimonies. People have also phoned in asking how to be saved and she baptised three people in the Standlake Ranch lake this last month.

**New shop in Blaenau Ffestiniog.** Though not part of our ministry, another outreach is opening a Christian Pop-In Shop to be run by the local church. A month ago someone walked in as we plastered it to find out what we are doing so we told her. She then asked us to pray for her straight away rather than wait for it to open. Suzanne prayed for her and off she went. Last week she met Suzanne outside the shop and excitedly told her that she had been back to the Doctors who told her that she no longer had cancer. Jesus had healed her. She is telling everyone her testimony. What an excellent start the Lord gives His people.

**Reaching the unreached people groups.** Sindh is in a desert region in Pakistan that is being reached by Arif Ashiq. He started working with them a year ago and has just opened a couple of Bible Schools of Evangelism with a total of 150 students. He will then send them out to evangelise their own people group. We are raising money to buy Bibles for them at present. Pastor Oladipo is also targeting unreached people groups in Northern Nigeria. A big thank you to all our supporters who support this work.

Doctorate in Ministry was awarded to Suzanne on 8<sup>th</sup> May 2015 by Rev Dr Denis Plant, Vision University of Florida.
