

END OF YEAR NEWSLETTER 2017.

It is not just believing in miracles, it is relying on them. A miracle is when God does it. If you rely on God and obey Him, the miracle will happen as He confirms your obedience.

SOUTH AFRICA. Right now I am in South Africa doing a series of 10 meetings. For many years, I lived here and experienced the glorious Charismatic Revival. It was good visiting various Anglican churches and encouraging many to return to their first love of the Lord. Many got baptised in the Holy Spirit and received miracle healing very easily. It was just like it was in the revival.

CHANGMIA. 4th to 24th of January. I have been invited for three weeks to train up local pastors to open and run some new Bible Schools under the missionary Nicholas Benstead. He used to be part of the Tuesday prayer group in our home at Standlake. Please pray that this time will be very effective.

AUSTRALIA AND NEW ZEALAND. I will be travelling to Australia 7th of February and New Zealand from 26th February to 15th of March. The itinerary will be out in the next newsletter.

OUR BIBLE SCHOOL TEACHINGS TO GO ON REVELATION TV, CALLED "RAW FAITH". We have done 10 programs so far and have been given an opportunity for a weekly teaching program with clips of the Lord healing his people. Do tune into Revelation TV to watch. The programs will then go onto U-Tube to go out worldwide. The Bible school on U-Tube can then bring teaching to many thousands and is the most cost effective way of bringing people to the Lord and disciple them. Up to now our radio bible school programs go onto our website, but are limited to it. Thank you all so much for your prayer and support that has helped make this exciting work so successful, Suzanne.
