## MAY 2017 'STEP OUT IN FAITH' NEWSLETTER

### THE LORDS PRESENCE COMES DOWN IN NEW ZEALAND

After an amazing trip to Australia for three weeks I had an even more amazing time in New Zealand.

With an average of one to two talks every day I concentrated on two subjects '*Rivers of Living water*' which led to much inner healing and the '*Seven Levels Of Prayer*.'

Just before the last week, after speaking on the 'Seven Levels of Prayer' the Holy Spirit suddenly came down so powerfully that we all went down on our faces before His glorious manifest presence. After two and a half hours in this glorious place in Him we all got to our feet changed. Some people also received healing and deliverance. The Lords glorious presence continued to come down on all the rest of our meetings when I spoke on that subject.

In one elderly ladies group, they all suddenly removed their shoes and knelt down with tears. We have also received an email saying that the manifest presence of God has continued to come down on the meetings after I left. The Lord's Glorious Presence has continued to come down when I speak in Church meetings in England.

### BIBLE COLLEGE UNDER VISION COLLEGE INTERNATIONAL to be held at Standlake Ranch, Oxfordshire, England.

It was prophesied this would happen a few years ago. I then received my 'Doctorate in Ministry' from Vision College in 2015. I have chosen '**The Christian life,**' '**Great words of the Bible,**' '**Prayer, bringing Heaven to earth,**' '**Clothed with Power,**' '**Equipped to serve,**' '**Healing in the New Testament,**' '**Healing in the Old testament,**' plus three others. Key lectures will be given over the weekend and the full subject given to each student to take home to study. An optional exam will be written at the next weekend. The Ten weekends can be run once a month to cover the 'The Certificate in Biblical Studies' in one year.

### RADIO NEWS

In Sydney, Australia I was invited to speak on Koori Radio which is an Aboriginal radio station. The broadcaster was so talented musically that we did gospel messages to music. We ended up doing seven broadcasts.

I also spoke on the local radio channel in Canberra and prayed for the sick over the radio. One lady, hearing this on her car radio pulled up on the side of the road to lay her hands on her badly damaged left leg and hip and she received instant healing. Two days later she came to one of the meetings to testify of the Lord healing her.

In Africa the broadcasts continue to bring many to Christ. Please pray for the radio station in Liberia to be repaired soon. It was flooded by a cyclone this last month. The rest of the African work that England supports is going well.

God bless all of you and thank you for being one of our partners in this exciting work. Blessings, From, Suzanne Pillans.

 8 years ago in Rangiora Baptist Church Suzanne ministered in a long healing line. I had walked in on crutches because of a torn calf muscle. Suzanne then looked up & said 'Here is a man that walked in on crutches he will walk out without them'. I got up and walked out healed.

 For 24 years I struggled with Bipolar disorder. When Suzanne came in March 2015 she prayed for me and broke off generational curses. I fell to the ground & screamed for 15 minutes as the Holy Spirit delivered me. I have had no mood swings since that time & now serve the Lord

 I had a damaged knee cartilage & ligaments and was completely healed after prayer.
