

Pastor David Botchway

JULY NEWSLETTER 2018

Introducing the people we support in West Africa

Ghana

Step Out In Faith Ministries West Africa have established **44 bible schools in 2018**. In **2017 we opened 50 bible schools** and the students brought 400 souls to the Lord, who are doing well across Ghana.

In Togo we established **60 small bible schools in the Jungles** with 400 students in 2017. In 2018, 40 bible schools opened and 233 students brought 547 people to Christ.

More than 600 people have received the baptism of the Holy Spirit through our outreach.

Many more bible schools have been opened in Ghana, Togo and Benin.

July 1st to 20th, 2018 we are traveling to Benin and Togo for the Step Out in faith bible school graduation and training of Pastors for church planting. God bless, David Botchway.

Sierra Leone

We have been privileged in Christ Jesus for working with Suzanne's ministry here in Sierra Leone. Many lives have been blessed by this ministry here in Sierra Leone through the power of the Holy Spirit to establish currently **five Bible Schools** across the country in Freetown, the Eastern Region of Sierra Leone, in Kenema and Bo. We have trained 135 students as pastors and leaders. Some have established their own churches.

We currently have **105 students enrolled** and have **opened six branch churches** in the South East of Sierra Leone. We also have **an orphanage of 42 children** that we are taking care of, under the outreach ministry here in Sierra Leone. We also run monthly **3 day crusades** in various villages where many are saved, healed and delivered. **Radio programs also go out from Freetown** and **Joy radio** every Sunday morning and Evening where many respond to Christ and the messages Suzanne gives over the radio. **We thank** all of those who have been such a great help to the outreach here in Sierra Leone. God bless you all In Christ, Pastor Emmanuel Bobor.

Liberia

Presently we have **12 churches with 340 people in remote village's**. Due to civil instability causing a negative effect for the young learning generation we opened the **full Gospel Mission School which has 187 pupils with 8 teachers**. 75% of the children **less fortunate** or **orphans**. **Radio Program**, Suzanne preaches on **radio Gbarga** every Sunday 7am to 7.30 am to reach around 2.5 million of the 4 million. Many phone calls come in from individuals who have been converted through the preaching. My vision is to plant more churches and complete the building of the other 5 classrooms of the school. God bless, Jonathan D Nyahn.

Nigeria

8 Bible schools has been opened in the rural areas of the northern part of Nigeria, Despite the killing of herdsmen and the Boko Haram challenges, **7 churches have been planted** and many people have given their life to Christ especially Muslims. The last record is 50 due to fear of being killed. I also train the evangelists through the 'Step Out In Faith Leadership Summit.'

Please don't just send a monthly allowance, also **pray fervently for me** as I travel around. Pray the peace of God will be with me. Some people were delivered from sickness and satanic attack, someone also submitted her charms. Blessings, Oladipo

We send £250 per month to each country to enable such a wonderful harvest for the Lord. Radio station fees cost £5 per program, plus crusades and transport for graduations. Please pray for more support for this worthy cause. A big thank you, from, Suzanne.
