Step out in faith

Company Number 11820396

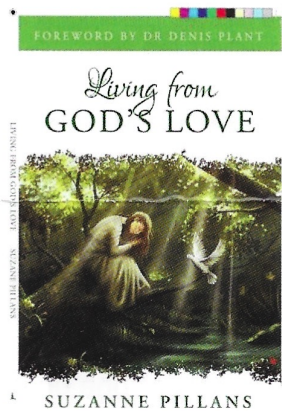

There are times when its worth sitting down with a hot drink, as 'Step out In Faith' moves into entering a better and a new phase of operating. To that effect we have separated the three different areas of ministry into 3 non-profit organisations. Australia with the support work in the Far East alongside radio output, New Zealand with the support of the work in East Africa, and the United Kingdom to which it supports the work in West Africa.

So with these changes now, 'Suzanne's ministries' will no longer be operative. We ask therefore for all those who give to 'Suzanne's Ministries' please transfer them over by filling in the form on the address page of this newsletter. Please send it to me resetting the payments into 'Step out in Faith'. For all who do this, and anyone else who would like to donate by a regular direct debit, will receive a free copy of my new book 'Living From Gods Love' as a thank you gift.

Feb 13 -19 March, Australia and New Zealand, This proved to be the best visit yet. Everywhere Suzanne spoke, the Lord moved, as entire congregations responded to God. They all came forward to the front and knelt to dedicate themselves to deeper prayer and to live from Gods love.

Divine Appointments, The Lord told Suzanne to pack the first book she ever wrote "Heaven sent riding skills" and take the book with her to give to someone who taught both Western and English riding techniques. She came across this person in a town called Fairlie in New Zealand during her visit. She received the book with great joy as she had been praying as to how to witness for the Lord in the horse riding world.

Another highlight was preaching at the famous Anglican "Church of the Good Shepherd" at Lake Tekapo on 'Living from the Heavenly Realm'. The Holy Spirit came down powerfully. She videoed the beautiful service to go onto YouTube soon.

She also had an invitation to pray at the National Day of Prayer for Australia. This was held in a large park in Sydney. She prayed for the priests, pastors and leaders and it was well received. See YouTube for the clip. We thank you all for your support in making all this work for the Lord possible.
