Step Out In Faith

Company Number 11820396

Thank you everyone who has changed over from Suzannes Ministries to Step Out In Faith, which was our original name. Step out in Faith will not restrict all that we do to one person, but from the faithful team, that God is raising up to step out in faith.

Step Out In Faith still multi functional.

1) **Training of locals** to go out and spread the Gospel and plant churches in villages and remote places in Africa, the Far East, or where ever the Gospel is needed. This work can also include you. In Ghana we have 50 bible schools, in Togo 44 bible schools, and a few in Nigeria, Sierra Leone and Liberia, over 200 altogether. Below is a picture of a school in Ghana and one in Nigeria.

2) **Orphanages**, Below are pictures of orphanage schools, In Sierra Leone, Ghana and Liberia that are presently being roofed.

3) **Through the media** on radio and TV ministry, online School of evangelism, telephone evangelism and writing of 7 books.

4) **Gods way of vegetable gardening**. This started through our orphanage Gardens, which then led to the pastors. We now have a sample vegetable garden at Standlake Ranch and I teach 'Gods way of gardening' over radio to Africa.

9) **Speaking in churches, conferences and crusades**. I have just been invited to speak at 'Love Australia' in a stadium in Sydney from the 16th to the 18th of January 2020. Please pray for this very important crusade.
