Two Life Questions?

(1)

HOW DID SIN, SICKNESS AND DEATH COME INTO OUR WORLD?

(2)

HAS ANYONE DONE ANYTHING ABOUT IT?

Only the Bible speaks on how Sin (that has caused so many fights, wars, murders and hateful things.) Sickness (that harms our bodies in so many ways) and Death, (we all have to die one day) came into the world.

In Genesis 1;26
Then God said, "Let us make man in our image, after our likeness."

God created man with love. But for love to be real, there has to be free choice to love Him, so God gave man free choice. For free choice to work, there has to be a choice, so God gave us a choice.

Genesis 2;15-17 The Lord God took the man and put him in the garden of Eden to work it and keep it. And the Lord God commanded the man, saying, "You may surely eat of every tree of the garden, but the tree of knowledge of good and evil you shalt not eat, for the day that you eat of it you shall surely die."

But, one day Adam and Eve, tempted by the serpent disobeyed God and ate of the fruit, allowing sin sickness and death to enter this world, for now the devil had access through their free choice.

Adam and Eve became spiritually dead from that day on, having to battle with the three curses of sin sickness & death to this day.
